Notebook Changes

We have updated the "Promotional Testing" page in our notebook. Please pick up an updated copy at the front desk.

Below lists the following changes:

If you will be missing a month or more within two months prior to testing, you will not be allowed to test. If you are going on a long vacation, you may enroll in online classes during that period to maintain your training without interruption.

Red to Black Belt Testings will now be required to do a pre-testing for a fee. It will be within a month of the actual testing date. This pre-test will also allow for us to fix any areas that need correction. If we should feel you are ready for the main test, you will receive an invitation from your instructor. The pre-test will also eliminate the 2 or 3 day Red to Black belt testing we previously had.

FUNDRAISER FOR NEW MATS!

As you have noticed, we have been revamping the dojo in many different ways. From business practices to new gear and arrangement. Our next project is getting new floor mats for our dojo. Our current mats have served its purpose for many years and are ready to be replaced. We recently got a quote for the size of our dojo with shipping, and its a little over \$5000.00. With closing for a few months after COVID-19, we need a little help to make this happen! We will be doing different fundraisers monthly for this purpose. This month we are offering custom drawings of you or your child. Please let Ms. Jenn know if you are interested.
